

## DIRTIES CLEARING STATION

### DESCRIPTION

The Stellex Dirties Clearing station is simple to use by both staff and customers alike. It features clearly marked sections and is built around a sturdy stainless steel box section frame, with castors for easy manoeuvrability. Complete with a place to hold used trays and 3 holes in the top to allow segregation of waste into 3 separate 12 litre bins (supplied). The bins are neatly located within the unit behind hinged stainless steel doors.

Available in a selection of standard colours with graphics to clearly identify each section.
