

DISHWASH TABLING

DESCRIPTION

Dishwash Tabling is built around sturdy 30 x 30 stainless steel box section legs and framework, grade 430. Supplied with heavy duty 1.5mm gauge stainless steel top, grade 304, with boxed edges to front and sides to form trough to suit 500 x 500 dishwash baskets. Also available with an extended tap deck to rear complete with a 50mm upstand and tile return.

Where a sink bowl is required this is 600 x 450 x 300mm deep and comes complete with upstand strainer with overflow and a stainless steel splashback panel. Tabling may also come with an adjustable 1.2mm gauge stainless steel undershelf, grade 430. Where applicable, tops include 30mm diameter holes to suit most popular taps and pre-rinse sprays.
