

FREE STANDING FLOOR CUPBOARDS

DESCRIPTION

Floor Cupboards are built around a sturdy 30 x 30 stainless steel box section framework, grade 430, panelled in to minimise any dirt traps and crevices, manufactured from stainless steel grade 430. Supplied with a stainless steel top grade 304. Provided as standard with hinged stainless steel doors with an integral handle detail to the top edge. Locking doors are available as an option.

Units come complete with adjustable and removable mid shelf. Mounted on adjustable feet as standard to allow easy levelling on site, with an option of castors. Wall standing units complete with a 50mm upstand and tile return to the rear with legs inset 100mm for any pipework/services.

Centre standing units have top turned down 50mm all round.

4 door wall standing floor cupboard
