

CASH DESKS

DESCRIPTION

The Stellex cash desks are some of the strongest in the industry and are designed to match other products in the Stellex catering range, allowing perfect integration. They offer generous work surfaces to house your till, weighing scales and cash register.

Tops – manufactured from 1.5mm thick stainless steel, grade 304 and turned down 50mm to front and rear, both ends are also turned down 50mm. Options included granite, colour from standard range.

Exterior – standard panels are manufactured from stainless steel, grade 430. Decorative panels are available as an option and may include Colourcoat or laminate.

Interior – manufactured completely from stainless steel, grade 430 and complete with one intermediate shelf which is removable for cleaning.

Mounted on adjustable feet for easy levelling on site.

Castors are available as an option.

Trayslides are available in various options including solid stainless steel manufactured from grade 430, triple tube trayslide manufactured from 25mm diameter stainless steel tube.

Cash desk with optional trayslide
