

TRAY AND CUTLERY DISPENSERS

DESCRIPTION

The Stellex range of tray and cutlery dispensers provide neat solutions to an untidy problem. Individual compartments separate items of cutlery.

Three versions are available - cutlery dispenser, combined tray and cutlery dispenser and tray dispenser.

Tray and cutlery dispensers are built around a stainless steel tubework frame mounted on 5" peg fitting castors, with provision for and including a four compartment grey cutlery box to the top with provision for tray storage under.

Tray pick up trolleys are built around a stainless steel tubework frame mounted on 5" peg fitting castors.

Cutlery dispensers are built around a stainless steel tubework frame mounted on 5" peg fitting castors with provision for and including a four compartment grey cutlery box, available in a one, two or three tier option.
